

Fixed Price Start Up Packages for Specialists

Know your costs before you start!

New Fixed-Price Start Up Packages from HPC remove the fear of runaway costs in setting up your practice.

We've teamed up with our respected industry partners to provide these great value packages including everything you need to start business - and all at a fixed price.

To make it even easier, all packages come with pre-approval* from the leading health financiers!

Each package is tailored to meet the specific needs of your practice based on the size of your premises and the number of consult rooms required - and all packaged for one fixed price!
